Superscope™ II Non-Ammoniated Stripper

Product# F209026

Superscope II A powerful non-ammoniated stripper for use in areas where ammonia odor is a problem. It has a fresh scent which makes it easy to use in hospitals, restaurants and nursing homes. Use for stripping resilient and non-resilient floors that include vinyl, vinyl composition, asphalt, rubber, brick, terrazzo, quarry tile and concrete.

DIRECTIONS FOR USE

Before stripping always dust mop the floor and remove gum, labels and other attached soil deposits with a long handled scraper or putty knife.

STRIPPING

- DILUTE** at 16 oz. per gallon (1:8 ratio) or up to 32 oz. per gallon (1:4) of cool water. Do not exceed 32 ounces per gallon of water.
- APPLY** diluted solution of Superscope II using a clean mop. Let solution stand 5 minutes. Do not let dry.
- SCRUB** using a black pad under a swing machine.
- REMOVE** the remaining solution off the floor using an automatic scrubber or wet vacuum. RINSE with clear water and inspect the floor for shiny spots. Repeat steps 2 through 4 if necessary.

SPECIAL PRECAUTIONS: Not for use on wood or painted surfaces. Before use on asphalt tile, linoleum or rubber test a small hidden area for any color change.

FOR INDUSTRIAL USE ONLY.

IMPORTANT: Use only as directed. Do not mix with anything unless recommended since harmful conditions and poor performance could result. Do not pour unused product back into original container. All floors are slippery when wet. To prevent falls, exercise care when working and block off traffic with "Caution" signs until floor is completely dry.

KEEP OUT OF REACH OF CHILDREN

INGREDIENTS/INGREDIENTES

	CAS#
Water/Agua	7732-18-5
2-Butoxyethanol/2-Butoxietanol	111-76-2
Monoethanolamine/ Monoetanolamina	141-43-5

INDICACIONES PARA USAR

Antes de realizar el raspado, pase el estropajo seco para quitar el polvo del piso y quite chicles, etiquetas y otros depósitos adheridos al piso con un raspador de mango largo o una espátula.

REMOCIÓN

- DILUIR** a razón de 16 oz. Por galón (proporción 1:8) o hasta 32 oz. Por galón (1:4) de agua fresca.
- APLICAR** la solución disuelta de Superscope II, usando un trapeador limpio. Deje la solución durante 5 minutos. No deje que se seque.
- FREGAR** usando una almohadilla negra, debajo de una máquina oscilante.
- QUITAR** del piso la solución sobrante, usando un fregador automático o una aspiradora de humedad. ENJUAGAR y comprobar que el piso no tenga puntos brillantes. Si es necesario repita los puntos 2 al 4.

PRECAUCIONES ESPECIALES: No es para uso en superficies de madera o pintadas. Antes de utilizarse en tejas de asfalto de linóleo o caucho deberá probarse una pequeña área escondida por cambios de color.

ÚNICAMENTE PARA USO INDUSTRIAL.

IMPORTANTE: Sólo usar según lo indicado. No mezclar con nada que no esté recomendado ya que podría resultar en condiciones perjudiciales y rendimiento pobre. No verter el producto no utilizado en el recipiente original. Todos los pisos son resbaladizos cuando están mojados. Para prevenir caídas, ejercer precaución al trabajar y bloquear el paso con carteles de "Precaución" hasta que el piso esté completamente seco.

MANTENGA FUERA DEL ALCANCE DE LOS NIÑOS

DANGER

Harmful if swallowed. Causes severe skin burns and eye damage. Harmful if inhaled. May cause respiratory irritation. Toxic to aquatic life with long lasting effects.

Prevention

Do not breathe mist or vapor. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Avoid release to the environment. Wear protective gloves / protective clothing / eye protection / face protection.

Response

If swallowed: Rinse mouth. Do NOT induce vomiting. If on skin (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower. If inhaled: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor. Specific treatment (see SDS). Wash contaminated clothing before reuse. Collect spillage.

Storage

Store in a well-ventilated place. Keep container tightly closed. Store locked up.

Disposal

Dispose of contents/container in accordance with local / regional / national / international regulations.
