

SPRAY 'n DISSOLVE™

Ready-To-Use Porcelain & Tile Cleaner, Soap Scum & Rust Stain Remover

PRODUCT DESCRIPTION:

A ready-to-use product specially formulated to eliminate tough soap scum build-up, mineral deposits and unsightly rust stains. **Spray 'n Dissolve™** is a concentrated clinging foam that quickly and easily removes even the hardest deposits. The special floral fragrance eliminates the undesirable odors associated with acidic products. Safe to use on porcelain, stainless steel, fiberglass, chrome and other hard surfaces. Not for use on formica, marble or counter tops while following directions.

FEATURES:

Versatility:

A versatile cleaner around the restroom, shower room, or any area where mineral buildup from hard water occur. Cleans and brightens.

Convenient:

No mixing or diluting required.
Non-aerosol, ready to use.

Deodorizes:

Removes deposits which can lead to objectionable odors.

Mild Phosphoric Acid Formula:

When used as directed, safe for use on most surfaces. Do not use on formica, marble or countertops as damage may result.
