## Cleaner/ Degreaser

**Fullscrub® Cleaner/Degreaser** is a great all around cleaning product. Its unique formulation is excellent for use in all types of equipment. Can be used in walk-behind automatic scrubbers, riding scrubbers, high pressure sprayers, steam equipment, pump-up and hand held sprayers. Safe non-butyl formula.

### Low Foaming/Clean Rinsing:

Will not cause excessive foaming in recovery tanks.  
Rinses easily and completely film free.

### Safe and Easy To Use:

Non-caustic, non-acid. Use on any surface that is safe to clean with water. Works in hot or cold water. Dilutes instantly, no waiting for powders to dissolve. Will not clog equipment.

### USDA Rated A-4:

Authorized for use in federally inspected meat and poultry plants as a floor and wall cleaner.

### Enviromentally Friendly:

Safe non-butyl formula will not damage equipment, hoses, tanks or gaskets. Biodegradable detergents are safe for septic systems.

## USE INFORMATION:

**Fullscrub® Cleaner/Degreaser** is recommended for use in schools, hotels, hospitals, factories, machine shops, trucking terminals, automotive repair facilities, etc. Excellent on trouble spots where accumulation of grease and grime are a problem. Fullscrub® works well in hot or cold water. Dilute according to application and soilage conditions.
