

FLOOR CARE

Once Over™

No Rinse Stripper

- **Quickly Penetrates**
- **Non-Ammoniated**
- **Low Foam & Low Odor**

Once Over™

No Rinse Stripper

Once Over™ quickly penetrates through floor finish buildup and suspends the stripped finish for rinse free removal.

No Rinse-No Machine:

Leaves no harsh alkaline residue that blocks the adhesion of the sealer or finish. Agitating the solution with a mop brings up the finish. Low foaming.

Efficient Finish Removal:

Quickly penetrates the finish and brings the finish into solution.

Non-ammoniated:

Low odor. Reduces complaints while stripping the floor.

USE INFORMATION:

Safe on most resilient and non-resilient floors that include mineral surfaces, terrazzo, concrete, vinyl, vinyl composition, asphalt, rubber, terrazzo, brick and quarry tile. Do not use on linoleum or tile that are in poor condition.

PRODUCT SPECIFICATIONS:

pH.....	12.4 ± 0.2
Color.....	Clear
Physical State.....	Concentrated Liquid
Fragrance.....	Mint/Solvent
Freezing Point.....	About 32°F
Solubility in Water.....	Complete
Flash Point.....	None

INGREDIENTS:

Water.....	7732-18-5
2-Butoxyethanol.....	111-76-2
Monoethanolamine.....	141-43-5
Ethylene glycol phenyl ether.....	122-99-6
Sodium xylene sulfonate.....	1300-72-7

FLOOR STRIPPING

MOP ON - MOP OFF

1. **DILUTE** at 21 ounces per gallon (1:6 ratio) of cool water. For heavy buildup, dilute 32 ounces per gallon (1:4 ratio) of cool water.
2. **APPLY** the diluted solution of **Once Over™** onto the floor with a mop.
3. **WAIT:** Let stand for 4-5 minutes, then agitate with the same mop. For best results use a rotary machine and black pad. Do not let solution dry.
4. **REMOVE** the solution from the floor using a mop or wet dry vacuum. For best results rinse the floor with clean water and a clean mop.
5. **REPEAT** steps two to four if any finish remains on floor.

SPECIAL PRECAUTIONS: Not for use on linoleum, tile in poor condition, wood or painted surfaces or for daily maintenance of resilient tile floors. Before use on asphalt tile or rubber, test a small hidden area for any color change.

PRODUCT AVAILABILITY:

F200022.....	4/1 Gal.
F200026.....	1/5 Pail
F200038.....	1/55 Drum
